While structuring stories of superheroes and super villains, it is always difficult to include children in any major roles. But there have been many memorable stories where children played an extremely important part. And, of course, real live children play a very necessary part in our product and we love 'em all.

The first thing to do—pick the right chew: new Hubba Bubba®. The soft and juicy bubble gum with amazing no-stick bubbles™. Then proceed with this simple yet effective gumfight drill:

(1) Begin blowing bubble. Note Hubba Bubba's incredibly large bubble. (2) When the Hubba Bubba bubble breaks do not be alarmed. (3) Simply remove Hubba Bubba from your face. That's right, simply remove and replace in mouth. Return to step 1. Repeat drill ten times.

IMPORTANT**

The size of your bubble is. And that means choosing the right bubble gum — Hubba Bubba. Because when it comes to great, big, fat bubbles, nothing sizes up to a Hubba Bubba bubble.

Note proper stance.

ACCEPT NO SUBSTITUTES.

This boy did. And now instead of wearing a smile, he's wearing a paper bag over the bubble gum stuck to his face. Definitely not new soft and juicy Hubba Bubba Bubble Gum. Does Hubba Bubba really work? Absolutely! Hubba Bubba is gumfighter tested and approved.

So pick up a pack of new Hubba Bubba in original or mint flavor. Enjoy that soft, juicy, delicious taste. Plus those great, big Hubba Bubba bubbles that won't stick to your face.

SOFT. JUICY. DELICIOUS.

If time limit passes, other player takes turn and so on until one player fills all the spaces on the page. Penalty for using a duplicate word — miss two turns. Easy. Fun too.

(It stands for HELP... and you're
gonna need all you can get!)

Here's the trick that could save you:
You know all seven paths to the center. You
decide which one to take. The only way
you can win is if you take the one that
leads you to the center. That's the only way
you can win. That's the only way you can
win. That's the only way you can win.

**WHAT'S
MISSING?**

These are always a favorite just because we all have a little bit of Columbus in us. Compare the three drawings against the one marked above and see what's missing. If you can't do it, perhaps Jim Columbus can. Here there are always things missing in each one.

LEGO® EXPERT BUILDER SERIES

Choose your challenge! Go-Cart, Auto Chassis, Farm Tractor... or 3 new sets! Mobile Crane, Fork Lift, and Bulldozer. They move and maneuver – just like the real thing. And you build them from scratch...with gears, pistons, and universal joints that really work.

Each set builds other models too. (Like the Mobile Crane. It builds a dump truck, shipyard crane and more). You can also get spare parts, and even a power pack – to motorize your models. The LEGO Expert Builder Series. Don't miss out!
